FARM FRESH RI

 Info, Fresh Bucks, Bonus Bucks

This farmers market is open year-round. Our vendor lineup changes with the seasons. Vendors attend weekly unless dates are listed.

Delightfully indoors on those rainy or too-hot days, the farmers market fun extends out onto our market patio overlooking the Woonasquatucket River & Greenway in ideal weather.

This market takes place inside at Farm Fresh RI, which has ramps, no stairs, an adjacent parking lot, wide doorways, as well as wheelchair accessible and gender-neutral restrooms.

Farm Fresh Rhode Island is a 501c3 nonprofit organization, and an Equal Opportunity Provider.
