

# farm to wholesale food distribution

## Connect, Sell, & Source From 100+ Farmers & Producers

Market Mobile brings the local farmer's market experience online, offering fresh, local products for wholesale and residential customers, sourced directly from regional farmers and food producers—all in one convenient online marketplace.

## Why Market Mobile?

### For Buyers

- Shop the farmers market online—without leaving your kitchen
- Fresh, seasonal produce and products from 100+ local farmers
- Simplify sourcing: one order, one invoice, one delivery

### For Farmers & Food Producers

- Reach more wholesale and residential customers
- Set your own prices and list your products online
- Sell efficiently with twice-weekly order cycles

## How it Works

-  Farmers list products and prices online
-  Buyers place one order per cycle
-  We handle shipping, billing, deliveries, & pickups

## Where We Deliver

- Rhode Island
- Southeast Massachusetts
- Eastern Connecticut
- Boston-metro & 95/128 corridor

*Order minimums vary by location.
